Come Dive Fabulous Papua New Guinea!

The sea creatures of Papua New Guinea are truly extraordinary. The three liveaboard trips will tour Milne Bay, an area world renowned for its beautiful reefs and intriguing muck diving. Filmmakers David Hannan and Lucy Trippett are going to be onboard, shooting for their stock footage library and a documentary on the fascinating aquatic animals of Milne Bay.

TRIP DATES

8th May - 15th May
18th May - 25th May

MV Chertan is a spacious and comfortable vessel that takes a maximum of 12 passengers. There are 6 airconditioned twin berths, a lounge area and large camera assembly area on the upper deck. Chertan is a great dive boat for underwater photographers.
